IMPORTANT NOTICE

Final Reminder

Submission of NSP Scholarship Applications (Fresh & Renewal) by 25th November 2026

All students of the Institute of Technology, University of Kashmir, are hereby informed once again that the deadline for submission of documents and application forms under the National Scholarship Portal (NSP) is **30th November 2026**.

All students, including **Fresh and Renewal applicants**, are strictly advised to complete their scholarship application forms and submit the duly filled-in and signed forms, along with all requisite supporting documents, to the concerned office well before the prescribed deadline.

Particular attention is drawn to fresh applicants, especially **girl students** and newly admitted students, who are advised not to delay the application process and to ensure that all formalities are completed in time.

Fresh applicants	Renewal applicants
Complete OTR registration.	Use existing OTR credentials.
Fill in personal and academic details.	Update current academic year details.
Upload required certificates.	Upload latest marks card, where required.
Select the appropriate scholarship scheme.	Ensure previous application details are correct.
Submit the application for verification.	Submit renewal application for verification.

Important precautions

- Apply only for scholarships for which you fulfil the eligibility conditions.
- Avoid submitting multiple applications under the same scheme.
- Ensure that your name, date of birth and other details match your Aadhaar and academic records.
- Upload clear and readable documents.
- Regularly check the NSP portal for defective applications or verification remarks.
- Keep a copy of the submitted application and acknowledgement.
- Contact the Scholarship Nodal Officer in case of any difficulty.

Please note that no application form or supporting document will be accepted after 30th November 2026. No request for late submission will be entertained under any circumstances.
