Notice

The Department of Mechanical Engineering is excited to announce the establishment of a Project and Innovation Club, and we are currently in the process of selecting student coordinators to lead this initiative. This presents an exceptional opportunity for students to actively engage in fostering a culture of innovation and creativity within our department.

By taking on the role of a student coordinator for the Project and Innovation Club, you will gain valuable experience in promoting innovative thinking among fellow students. This role provides a unique platform to collaborate with students/ mentor faculty and allows you to explore the latest trends and advancements in the field of mechanical engineering and allied subjects.

Interested students are advised to collect the application forms from the office of the Department of Mechanical Engineering. Please ensure that the application form duly completed is submitted by the specified deadline.

Deadline for Application Submission:

Date: September 21st, 2023

Time: 3:00 PM

Shortlisted students will receive notifications outlining the subsequent steps in the selection process. We urge all enthusiastic students to seize this opportunity and be the part of this endeavor
