

Attention All The Students of IOT Zakura Campus

We would like to inform you that there will be a **Bio-Metric Authentication / Re-Validation** process taking place today. This process is essential to ensure the smooth dispersal of the NSP Scholarship to the students.

Here are a few important points to note:

1. Time and Venue: The biometric authentication process will take place today. Please proceed to the designated venue at **First Floor Block A between 12.00 and 6.00 pm** to complete the process.
2. Documents Required: Make sure to bring your **NSP Id ,Aadhar and student ID card** and any other identification documents that may be required written on plain page.
3. Cooperation: We kindly request your full cooperation during the authentication process. This will help us complete the procedure smoothly and efficiently.
4. Contact Information: If you have any questions or concerns regarding the biometric authentication process, feel free to contact on **7006674240**

We appreciate your understanding and participation in this important security measure. Thank you for helping us maintain a safe and secure environment for all members of the IOT Zakura Campus community.
