University of Kashmir, *Zakura Campus*

Awareness Session on Cyber Frauds and The Sanchar Saathi Initiative

Organized by:

The Department of Telecommunications (DoT), Ministry of Communications, Government of India in collaboration with CIIE, Institute of Technology, University of Kashmir.

Why Attend:

- The session will be delivered by senior officials from DoT and aims to educate students about cyber frauds, mobile safety, and the citizen-centric features of the Sanchar Saathi platform.
- As part of the session, the DoT will also felicitate the students of the Institute who served as Sanchar Mitras during the 2024–25 cycle, in recognition of their valuable contribution.
