## Work Done Report

Following activities were carried out during the month of May 2024 at the Institute of Technology (IOT Zakura), University of Kashmir.

Prof. Dinesh Singh, Vice-Chairman, J&K Higher Education, visited IOT to access functioning of DYD program and its associated department at IOT. Meeting was attended by Honorable Vice Chancellor, Registrar, Dean CDC, Dean Engineering, Director IOT, DYD program mentors, DYD coordinators, DYD students, and others.  Budget for IOT 2024-25 was allocated and pending purchase files will be cleared quickly as per directions of O/o Director, IOT.  Preparation of the IOT Information Brochure under process.  B.Tech admissions for the year 2024 at IOT started. The notification has been published in several local newspapers for better visibility of the college admissions.  BORS for PhD program at IOT constituted with Director as Chairman. Members of same include senior professors from NIT Srinagar, and senior faculty at IOT and KU Main Campus. First BORS meeting held for exempted IOT PhD candidates. 09 candidates applied for PhD E&C Engineering but they were not eligible. One eligible candidate appeared for PhD in Chemistry at IOT and was selected. Entrance test of non-exempted PhD candidates for IOT to be held soon. 03 IOT faculty to be registered as PhD guides.  10T Workshop machinery overhauled at a cost of Rs. 3.6 Lac by Dept of Mech. Engg, IOT.  MoU meeting held with MD JKPDC. The MoU document exchange is under process.  "Zero to Unicorn" Workshop held by CIIE KU, with talk session by Mr. Abdul Majid Ansari, Founder and Director, Arba Accelerators, Mumbai. Title of talk was "Achieving value preposition fit and business fit."  10 O1 design patent registered by CIIE KU with KU as co-applicant.  Funds for management of 04 patents released by CIIE KU to the tune of Rs. 50, 000/  Director, IOT counseled students of IOT on importance of punctuality in their studies. Campus cleanliness drive to be held soon at IOT with the participation of IOT students.	S.	Activity
functioning of DYD program and its associated department at IOT. Meeting was attended by Honorable Vice Chancellor, Registrar, Dean CDC, Dean Engineering, Director IOT, DYD program mentors, DYD coordinators, DYD students, and others.
