No: F(Work Done Report)IOT/KU/24 Date: 31 July 2024

Work Done Report

Following activities were carried out during the month of July 2024 at the Institute of Technology (IOT Zakura), University of Kashmir.

7. department. First batch (of 2021) of respective M.Tech programs of various departments completed course work of final semester. 9. BOS committees for revision of curriculum syllabi at IOT constituted. 10. Payments of numerous pending bills completed by Accounts Section at IOT. 11. IOT employees submitted ITR's with IT Dept., Govt. of India. 12. Recruitment of contractual lab assistants at IOT initiated after code of conduct over. Proposals submitted for the following: i) Establishing a Dept. of Computer Science Engineering at IOT. 13. ii) Floating the B.Tech program in AI & Robotics jointly by three departments of IOT iii) Setting up an IET Society student membership conclave at IOT iv) Initiating the SAMARTH e-governance portal based campus system at IOT. PHE water connection to be completed soon at IOT. The college already has a 17000 liter underground reservoir for water storage. Dr. Farooq A. Najar takes over as Coordinator, Dept. of MEE, IOT, relieving Dr. Junaid H	S. No.	Activity
3. Proposal submitted to AICTE for establishing IDEA Lab at CIIE at cost of Rs. 1.10 Crore 4. Financial assistance given by CIIE to one patent project for Rs. 35,000 5. CIIE Internal monitoring committee meeting, and IIC Council meeting held respectively. 6. Campus wide gardening and landscaping initiative ongoing after due bidding process. One patent filed by students of Dept. of ECE along with three faculty members of same department. First batch (of 2021) of respective M.Tech programs of various departments completed course work of final semester. 9. BOS committees for revision of curriculum syllabi at IOT constituted. 10. Payments of numerous pending bills completed by Accounts Section at IOT. 11. IOT employees submitted ITR's with IT Dept., Govt. of India. 12. Recruitment of contractual lab assistants at IOT initiated after code of conduct over. Proposals submitted for the following: i) Establishing a Dept. of Computer Science Engineering at IOT. 13. ii) Floating the B.Tech program in AI & Robotics jointly by three departments of IOT iii) Setting up an IET Society student membership conclave at IOT iv) Initiating the SAMARTH e-governance portal based campus system at IOT. PHE water connection to be completed soon at IOT. The college already has a 17000 liter underground reservoir for water storage. Dr. Farooq A. Najar takes over as Coordinator, Dept. of MEE, IOT, relieving Dr. Junaid H		Summer vacations going on at KU including IOT in last week of July 2024.
4. Financial assistance given by CIIE to one patent project for Rs. 35,000 5. CIIE Internal monitoring committee meeting, and IIC Council meeting held respectively. 6. Campus wide gardening and landscaping initiative ongoing after due bidding process. One patent filed by students of Dept. of ECE along with three faculty members of same department. First batch (of 2021) of respective M.Tech programs of various departments completed course work of final semester. 9. BOS committees for revision of curriculum syllabi at IOT constituted. 10. Payments of numerous pending bills completed by Accounts Section at IOT. 11. IOT employees submitted ITR's with IT Dept., Govt. of India. 12. Recruitment of contractual lab assistants at IOT initiated after code of conduct over. Proposals submitted for the following: i) Establishing a Dept. of Computer Science Engineering at IOT. 13. ii) Floating the B.Tech program in AI & Robotics jointly by three departments of IOT iii) Setting up an IET Society student membership conclave at IOT iv) Initiating the SAMARTH e-governance portal based campus system at IOT. PHE water connection to be completed soon at IOT. The college already has a 17000 liter underground reservoir for water storage. Dr. Farooq A. Najar takes over as Coordinator, Dept. of MEE, IOT, relieving Dr. Junaid H	2.	Registration of CIIE as training center for PMKVY 4.0
5. CIIE Internal monitoring committee meeting, and IIC Council meeting held respectively. 6. Campus wide gardening and landscaping initiative ongoing after due bidding process. 7. One patent filed by students of Dept. of ECE along with three faculty members of same department. First batch (of 2021) of respective M.Tech programs of various departments completed course work of final semester. 9. BOS committees for revision of curriculum syllabi at IOT constituted. 10.
