PROFILE

Meticulous academic professional looking forward to gain multi-disciplinary experience to have flexible career choices. In my 7 years of dedicated teaching experience, I have focused on fostering a strong learning environment, encouraging analytical thinking, and integrating practical knowledge with theoretical concepts. I am passionate about academic growth and continuously seek opportunities to expand my expertise and contribute to research and curriculum development. With a strong foundation in civil engineering and a keen interest in advancing my academic and professional journey, I am eager to take on new challenges and contribute meaningfully to the field.

WORK EXPERIENCE

Assistant Professor (Contractual) 2022- PRESENT
**Institute of Technology, University of Kashmir
Srinagar**

Job description:

Involved in teaching courses like the Engineering Drawing, Auto-Cad, Building material & Construction, Concrete Technology, Geotechnical Engineering. Furthermore, supervising the final year students for their major project.

Assistant Professor (Contractual) 2017-2020
National Institute of Technology, Srinagar,

Job description:

Involved in teaching courses like Building material & Construction, Concrete Technology, Railway and Airport Engineering, Construction Technology & Management, Disaster Management.

EDUCATION

Master of Engineering 2014-2016
National Institute of Technical Teachers' Training and Research
Chandigarh | Panjab University
CGPA: 8.2 / 10

Bachelor of Technology in Civil Engineering 2010-2014
Universal Institute of engineering & Technology | Punjab Technical
University
CGPA: 8.4 / 10
