INSTITUTE OF TECHNOLOGY
UNIVERSITY OF KASHMIR
NAAC Accredited Grade –“A+”

No: (Project Batch-2020/ECE/IOT/KU/24)
Date: 06/05/2024

NOTICE

It is hereby notified for the information of students of B.Tech 7th semester (Batch 2020) that their first progress presentation on background study will be held on 11th June 2024 according to the schedule given in Annexure I. In this presentation the students are required to present the details of subject matter and various technologies relevant to the project. The presentation should be strictly prepared according to the following guidelines:

1. Details of all the related subjects of B.Tech should be presented.
2. Details of applicable technologies should be mentioned.
3. No literature survey is required in this presentation.
4. The presentation should be prepared in a manner that is clearly visible and comprehensible to the faculty evaluating the same.
5. The students are encouraged to use less text and more graphical/tabular representations to convey the information.
6. All the members of the group should prepare the presentation and anyone can be asked to deliver before the panel.
7. The presentation should be approved by the concerned Co-Supervisor before it is presented. Negligence in reporting to the Co-Supervisor will directly affect the overall internal grade of the project.
8. The students should be prepared for cross questioning from the panel.
9. Any group with an unsatisfactory presentation will have to repeat the same till it is approved by the committee.

Other relevant details for the presentation and evaluation are given in Annexure II.

ANNEXURE II

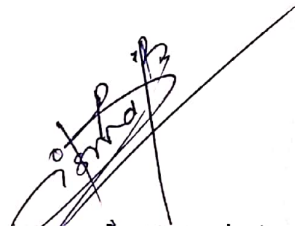

The presentation scheduled for 11th June 2024 is primarily to check the understanding of the subject matter related to the project. A detailed background study should be done by the students to develop clear concepts which will be used in the implementation of their proposal. Once the subject matter is clear the literature review presentation will follow (tentatively on 27th June 2024).

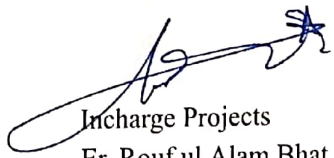

In order to maintain uniformity across the presentations of all the groups, a format has been devised. This should be the only format followed by every group in this presentation and the maximum number of slides should in no case exceed 15.

- SLIDE 1: Title Slide
- SLIDE 2: Contents of the Presentation
- SLIDE 3: General Block Diagram of the project
- SLIDE 4: List of relevant subject matter and technologies to be used in the project
- SLIDE 5 onwards : Details of the contents of Slide 4

Following will be the evaluation parameters for the presentation;

- Subject Knowledge
- Relevance of listed subject matter and technologies to the project.
